Catholic Parish  
Mt Pritchard**

## Become a Catechist

Catechists are Parish volunteers  
who....

- Teach and share their faith with children of their parish who attend government schools.
- Enjoy sharing their gift of faith with young people.
- Can spare an hour a week to prepare and teach a lesson.

## We will train you.

New Catechists need to attend a basic course which is usually conducted by the CCD at various local schools in the area.

Relevant information regarding dates, times and location will be in the Parish bulletin and on the Parish website when available. The course covers:

Lesson Plans, Child Protection, Classroom Management & more.

You will each receive:

- ◆ A Leader's Manual
- ◆ A Student Workbook
- ◆ A Yearly Timetable
- ◆ A Lesson Plan.

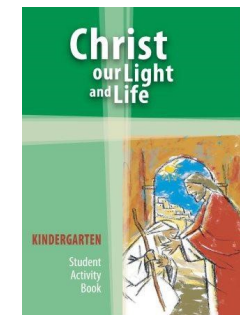

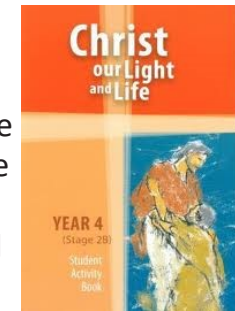

## Catechists and helpers

Not all volunteers want to teach a lesson! We have many volunteers who help in a class by leading the prayer time, calling the roll, and helping with student bookwork activities. There is a place in all classes for a helper who assists the Catechist in the class.

## CCD Confraternity of Christian Doctrine

The CCD was established in 1958 on the authority of the Archbishop of Sydney as an autonomous, non-profit organisation for the primary purpose of providing religious education and Christian formation for Catholic children in public schools. Currently 31,000 children are taught every week in some 400 schools across Sydney. The CCD's head office is located in Polding Centre, Liverpool St, Sydney.

## Realising Your Potential

It is a wonderful gift to students in our local State schools, when a Catechist gives of their time and talents to share their Baptismal promise of practicing their faith, following the commandments as Christ taught us, and by loving God and our neighbor.
